Call for Participation

We invite you to join us in 13th International Conference on Communications Security & Information Assurance (CSIA 2022)

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Communications Security & Information Assurance Techniques. The Conference looks for significant contributions to all major fields of Communications Security & Information Assurance in theoretical and practical aspects. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of CSIA 2022 includes:

- 11th International Conference of Networks and Communications (NECO 2022)
- 11th International Conference on Soft Computing, Artificial Intelligence and Applications (SCAI 2022)
- 11th International Conference on Signal, Image Processing and Pattern Recognition (SPPR 2022)
- 3rd International Conference on NLP & Artificial Intelligence Techniques (NLAI 2022)
- 14th International Conference on Wireless, Mobile Network and Applications (WiMoA 2022)
- 14th International Conference on Grid Computing (GridCom 2022)
- 13th International Conference on Ubiquitous Computing (UBIC 2022)
- 12th International Conference on Computer Science, Engineering and Applications (ICCSEA 2022)
- 3rd International Conference on Machine Learning Techniques and Data Science (MLDS 2022)
- 3rd International Conference on Software Engineering and Managing Information Technology (SEMIT 2022)
- 3rd International Conference on IoT, Blockchain & Cloud Computing (IBCOM 2022)

Registration Participants

Non-Author / Co-Author / Simple Participants (no paper)

250 Pounds (With proceedings)
